Biodegradable Bags

Leaves must be placed in biodegradable paper bags and put out at the curb the evening before the scheduled collection date to ensure they will be picked up. Bags should not weigh more than 40 pounds and should not contain trash or other waste. The Township no longer sells leaf bags, but they can be purchased at local supermarkets, hardware stores, wholesale stores, and a variety of other stores. Do not place bagged leaf and branch trimmings in plastic bags. They will not be collected. **All leaves and branch trimmings are recycled, not landfilled.**

Special Holiday Collection

To better serve you because of the Memorial Day holiday, we will be collecting yard waste a week earlier on **Monday, May 19 and Wednesday, May 21**. Please be aware of this schedule change for May 2025 only. **See 2025 service calendar for details.**
