Planned Construction Activity Notification Form – Early Action Bridge Projects

Northeastern Extension Total Reconstruction and Widening Project
Mid-County Interchange to Lansdale Interchange
Mileposts A20 to A30, Montgomery County

Date: April 30, 2010

- 1. Planned Activity: PA NORTHEASTERN EXT. (I-476) NB/SB ROAD CLOSURE** for removal of steel girders from the northern section of the local bridge that carries DeKalb Pike (Rt. 202) over the Turnpike in Montgomery County. Detours in effect between the Mid-County (Exit #20) and Lansdale (Exit #31) Interchanges.
- 2. Activity Location(s):** Where DeKalb Pike (Rt. 202) crosses I-476 at milepost A23.42, Whitpain Township. The contractor does not anticipate any major impact to local traffic on DeKalb Pike during the closure; however, motorists should be prepared for possible intermittent stoppages and slow moving traffic when traveling through the construction zone.
- 3. Date(s) of Activity: Midnight Saturday, May 1 until 6 a.m. Sunday morning, May 2**
- 4. Are dates subject to change due to weather? Yes**
If yes, alternative dates will be scheduled as follows: the following weekend (May 8-9)
