WHEREAS, the Second Class Township Code authorizes the Board of Supervisors to make, amend and adopt amendments to the Whitpain Code of Ordinances, as amended, that are consistent with the Constitution and laws of the Commonwealth that it deems necessary for the proper management and control of the Township and the best interests of its residents;

WHEREAS, Article 1, Section 27 of the Pennsylvania Constitution, known as the Environmental Rights Amendment (the "Amendment"), provides that people have the right to clean air, pure water, and to the preservation of the natural, scenic, historic, and aesthetic values of the environment. As a Trustee of these resources, the Commonwealth shall conserve and maintain them for the benefit of all the people;

Commonwealth of Pennsylvania*, 161 A.3d 911 (Pa. 2017);

WHEREAS, this Ordinance is enacted to achieve Whitpain Township's duties under the Amendment by minimizing the degradation, diminution and depletion of the public natural resources and to affirmatively enact legislation designed to protect the environment;

WHEREAS, for the reasons set forth in more detail below, Whitpain Township intends to preserve, maintain, and enhance the health of its residents and visitors, as well as the public natural resources and common property within Whitpain Township, by regulating the distribution of single-use plastic bags, expanded polystyrene food service products and single-use plastic utensils within the Township;

WHEREAS, the Board of Supervisors, after due consideration of the proposed ordinance at a duly-advertised public hearing, has determined that the health, safety and general welfare of the residents of Whitpain Township will be served by this amendment of the Whitpain Code of Ordinances to regulate the distribution of single-use plastic bags, expanded polystyrene food service products and single-use plastic utensils within Whitpain Township;

WHEREAS, the Board of Supervisors of Whitpain Township has determined that certain amendments to the Whitpain Township Code of Ordinances, as amended, are required for the orderly administration of the laws of Whitpain Township; and

WHEREAS, the Board of Supervisors has determined that the Code of Ordinances of the Township of Whitpain should be amended to create and enact Chapter 115 [Single-Use Plastics] for the proper management, care and control of the Township and its finances and the maintenance of peace, good government, health and welfare of the Township and its residents.
